Who We Are

When we started

2020, amidst the challenges of the pandemic, Autom8 was launched, and grown into a Global Power-House, across 12 countries (and counting).

Our Vision

Empowering businesses for tomorrow, today, with the transformative tools of the future.

Our Mission

Revolutionising industries through the convergence of robotics, AI, and IoT, from pioneering simple IoT solutions to leading in RPA and physical robotics. Together, let's Autom8 the world!

Meet the Co-Founders

Chris Rogers

Chris Rogers is an accomplished entrepreneur and CEO known for building successful companies in diverse industries. With expertise in Technology, Casino & Gaming, Environmental Services, Fishing & Boating, and Manufacturing & Distribution, he excels at navigating markets and driving growth.

Chris's strong business development and management skills in sales, marketing, and distribution have been key to his ventures' success. With an extensive network in Australasia, he leverages valuable connections to seize regional business opportunities.

Throughout his career, Chris has demonstrated his entrepreneurial spirit by identifying market gaps, developing innovative strategies, and executing them effectively. His hands-on approach, combined with strategic vision, has led to the creation and leadership of thriving companies.

With a wealth of experience and a proven ability to build and scale businesses, Chris Rogers is a dynamic leader who consistently delivers results in challenging and competitive industries.

Matt Ballesty

Matthew Ballesty is a seasoned business expert with 30+ years of global leadership and operations management experience in complex and regulated environments. Specializing in integrated resort properties, he excels in navigating diverse jurisdictions and optimizing operations.

Matthew fosters a positive work environment, developing future leaders and driving results through strategic planning and goal setting. He effectively communicates with key decision makers, maximising business opportunities and stakeholder relations.

With a customer-focused approach, Matthew crafts marketing strategies that boost satisfaction and drive revenue growth. His extensive experience and unique blend of strategic thinking and operational expertise make him a valuable asset for success in highly regulated environments.

Ramona Combrink

With a background in running successful restaurants, she transitioned to the tech industry where she met her husband, and together they became involved in various business ventures. Today, Ramona is a serial entrepreneur with a focus on specialized recruitment and technology sectors.

Leading a team of passionate and skilled individuals, Ramona and her self-professed "geeks" are driven by their love for technology and a desire to achieve exceptional delivery outcomes. They thrive on innovation and eagerly embrace challenges from clients, consistently achieving global success.

Ramona's diverse business portfolio gives her a unique perspective on resources and automation within organizations, allowing her to optimize operations and drive efficiency. With her leadership and entrepreneurial spirit, she continues to make a significant impact, driving innovation and delivering outstanding results in the ever-evolving world of business and technology.
